

Senior Citizens Christmas Party

The Senior Citizens Christmas party is an annual fixture in the calendar with over 90 guests from residential care homes in Dulwich invited to join in some festive fun organised by volunteers.

An afternoon Christmas Tea, with carols and music from the boys and the must-have bingo session, this is truly a joint whole school effort, with volunteers from both the Friends and School; parents, teachers, Pre-Prep boys, Christmas Craft Club, Year 8 boys and Old Boys all joining in to make the afternoon a success.

The tasks to make this event happen include the design of the poster, preparation of the guest list, donation of gifts, wrapping of presents, preparation of party bags, making of Christmas cards and decorations, setting up of tables, co-ordination of transport, driving the guests, serving tea, coffee, sherry and food, the wonderful music, the fabulous bingo, the gracious hosting, the guest appearance of Santa, the management of coat collection, the clearing up....the list goes on.

The guests all leave happy, with Christmas cheer and a large goody bag - for some it is their only social event of the year.

If you would like to volunteer as a driver, to wrap presents or serve on the day please get in touch with Gulnar Gelenbe gulnar@gmail.com. Gift donations will be collected from the second week of November and boxes will be located in the Main Reception, Pre-Prep reception and Early Years.
