CLUBS and ACTIVITIES

Lower School
Autumn 2022

INTRODUCTION

Dear Parents,

I am pleased to be able to send you the clubs booklet for Autumn 2022. As the boys enter the Lower School in Year 3 or as they move into Year 4, they will find some new and exciting clubs available to them. Whilst it is not possible to allocate a boy every club he wishes to attend, we will ensure he gets at least one of his choices each term. Clubs are allocated for one term only and each term we will ensure that clubs are rotated so that boys get a varied programme over the course of the year. Boys may be able to get a second turn at a club in subsequent terms if there is space.

Clubs will run before school, at break and lunch time and then after school.

Many of the clubs listed are offered by outside professionals or have associated costs and you will thus incur a charge should you wish your son to attend.

This booklet contains a comprehensive timetable of clubs and activities that will run over the course of the term.

In addition to all of the clubs in this booklet a Lower School Prep Club is also offered on a daily basis. This will be run by a Lower School member of staff and allow the boys some time to complete their nightly 20 minutes of reading as well as allow an extra playtime after the school day. This runs from 4 - 5pm.

Please read through the booklet to see what is on offer each day. There are write ups for the paid clubs as well as the charges for these.

Once you have gone through this booklet with your son, please follow the link below to complete the Google form to choose the clubs your son would like to try next term.

CLUB INFORMATION

Development Swimming (Years 3 - 6)

An opportunity for boys from Year 3 to 6 to develop their swimming. These sessions are aimed at boys who would like to improve their swimming to boys who would like to push for squad places. (24 Boys)

CLUB INFORMATION

Clubs with extra charges

Chess

Mr Ward offers various chess clubs over the course of the week.. Please sign up for at least two sessions so that we can move your son around if sessions are over subscribed. (£120 per term) (20 Boys)

Climbing

Climbing will take place from 4.00 - 5.00pm. The session will be for beginners and teach boys how to tie knots, secure harnesses, belay partners and climbing techniques needed for climbing and bouldering. Boys will need PE kit and trainers to take part. (£110 per term) (9 Boys per session)

Cricket - Year 4

Friday cricket is run by Mr James Clark (ECB level 3), coaching in conjunction with Mr Spammer. With 20 years of coaching experience at school, district and county level, he brings with him a wide range of experience. He played Kent U19 and then spent 7 years playing in the Kent Premier league winning 3 titles. Mr Clark was involved in setting up the 1:1 and age group coaching programme at Kent C.C. This has now developed into their flagship cricket academy. He works as a cricket professional at DC since 2013 and has coached and managed all sides from Year 3 - 1st XI. The programme will focus on improving the technical aspects of batting, bowling and fielding and prepare the boys for the start of the cricket season. The sessions are aimed at any boys interested in cricket. (£110 per term) (20 Boys)

Gymnastics

Gymnastics club has been running for five years and proved to be very successful. This club takes place on a Thursday from 4.00 - 5.00pm and is open to boys from Years 3 - 8. (£110 per term) (30 boys)

Judo

Judo is an active contact martial art, which helps develop both physical and mental skills as well as self-discipline. It is also a popular modern Olympic sport. Young Stars Judo Ltd is a mobile unit, which includes fully insured professional tuition, high impact safety mats and judo kits available to hire or buy. Your judo teacher will be Miss Josie Horton, a black belt (4th Dan) and an international Olympic semi-finalist; experienced and fully qualified in both teaching and competing at the highest levels. (£120 per term) (22 Boys)

LED Light-sabre Club

LED Light-sabre Club is an introduction to swordsmanship using the latest technology. It is based on an ancient Chinese martial art which has been passed from Master to student over the centuries.

(£125 per term) (10 Boys)

Megabyte Club

At Megabyte club we will teach coding using Minecraft: Education Edition. The boys will be able to practice their problem solving skills whilst having fun and playing with their friends.

(£110 per term) (15 Boys)

Running Club

An opportunity to increase personal fitness with Mr. Murphy taking the boys through a variety of running challenges on our Mary Datchelor Fields. £45 will be added to the school bill for breakfast which will be provided.

Yoga

Beam Academy's yoga and mindfulness classes are designed to stimulate and enhance children's sensory and mental aptitude and assist them in becoming more aware of their own physical development. We have a variety of programmes adapted to different age groups, from fun story led adventures specifically created for the younger ages to invigorating body flow themes designed for the older groups. For more information regarding this, please have a look at the website of the Beam Academy:

<https://www.beam.academy/education>

(£120 per term) (15 Boys)
